### No Gabriel catalog is larger than this one

Ride Control LLC has printed its 2011 Gabriel light vehicle catalog. It is available in the United States and Canada.

The catalog provides full-line shock and strut coverage for cars, light trucks, vans and SUVs. It incorporates all new Gabriel product applications introduced over the last year.

“Our 2011 full-line catalog offers the most complete product line in Gabriel’s 104-year history,” says Janet Qian, senior manager of business strategy and marketing for the Gabriel brand. “Gabriel continues to work relentlessly to expand our coverage, broaden lines, test new designs and introduce new products.”

Gabriel’s full-line of shock and strut coverage includes Guardian, ProGuard, Ultra, MaxControl (its premium design) and Hijackers. In addition, the company offers precision-engineered, pre-assembled ReadyMount strut assemblies.
