**Gabriel Ride Control Announces New Product Coverage  
for over 6.5 Million Vehicles - Just in Time for Summer Travels**

**Farmington Hills, Mich. – Gabriel® (Ride Control, LLC)**, In anticipation of summer travels and continued popularity of road trips, Gabriel - the inventor and global leader in automotive ride control technology, announces new ride control products for more than six and a half million vehicles, ranging from class 1 automobiles all the way up through Class 8 semi-trucks.

With new LTV® and Load Carrier™ coverage announced for over 1.2 million vehicles, Gabriel is sure to have the ride control application you need to arrive safely at all of your summer destinations! Gabriel's LTV and Load Carrier shocks are designed specifically for severe duty use on light trucks and vans making them ideal for towing a camper or boat this summer. Like all Gabriel shocks and struts, the LTV and Load Carrier series are equipped with a chromed piston rod for increased corrosion protection and enhanced sealing properties to provide longer life.

For those Last Mile Delivery fleets that have been driving extra miles doing more deliveries than usual, Gabriel has you covered. Gabriel now offers coverage in front and rear shocks for newer GMC Savana and Chevy Express vans and many of the newer E Series Vans & F Series Trucks, as well as extended front ReadyMount® strut assembly coverage on the first-to-market Ram ProMaster 1500, 2500 and 3500 applications.

Every automotive product Gabriel designs is 100% Fit and Ride tested by Gabriel's AnswerGarage® Technicians to ensure proper fit and excellent real-world performance. Gabriel offers free support at the Answer Garage Tech line (800-999-3903) for installation assistance or technical questions.

As your full solution ride control supplier, Gabriel is also pleased to announce new additions to their industry-preferred FleetLine® Heavy Duty Shocks, with added commercial vehicle coverage for International, Kenworth, Peterbilt, Ford, and Volvo suspension and cab shock applications.

Visit Gabriel, your full solution supplier, at [Gabriel.com](http://Gabriel.com) for more information on new product coverage.
