

Gabriel® HD makes installation easy with cradled Specialty Shocks for self-steering axle suspension systems.

[Click here to find a Gabriel dealer!](#)

An advertisement for Gabriel HD shocks. At the top is the brand logo in red. Below it, the text "CRADLED FOR EASY INSTALLATION!" is written in white, bold, uppercase letters. Two shock absorbers are shown against a dark background. The top one is labeled "646177" and has a visible coil spring. The bottom one is labeled "646155" and is a strut-style shock absorber. Both shocks have a yellow band around the middle section.
