CAN YOUR SHOCKS HANDLE THIS?!

THE INDUSTRY'S LEADING ADJUSTABLE GAS CELL SHOCK

GasSLX® is the perfect adjustable gas cell shock absorber for applications that:

- Haul the HEAVIEST of loads
- See high miles or lots of road dust
- Need inverted use or extreme angles of operation that gas-charged shocks can't do
- Have difficult installation access, since GasSLX[®] are easier to install than gas-charged shocks

GLICK TO WATCH!

See how GasSLX's GAS GELL provides BEITTER PERFORMANCE over traditional gas-charged shocks
